

LUXE[®] 8700x

Extraordinary Design. Exceptional Engineering.

THE X FACTOR

The Luxe 8700x was built to elevate the customer experience in the most demanding retail environments. Customers are welcomed with its smart form factor and brilliant display.

The familiar placement of card readers for dip, tap or swipe speeds checkout. And durable features—combined with the latest security technologies—reduce downtime, secure card details, and protect your investment.

LUXE® 8700x

EXTRAORDINARY DESIGN

The crystal-clear display and intuitive interface of the Luxe 8700x engage customers and enhance the check-out experience.

- Brilliant 5" high-definition touch display can be read in the harshest lighting environments.
- Easy-to-locate card readers reduce customer confusion and keep the lines moving.
- Illuminated keypad and angled chip card slot provide an optimal experience in most checkout environments.
- Eye-catching, back-lit tactile keypad and large control keys with raised legends reduce keying errors.
- Under-the-display contactless reader eliminates the frustration of multiple tap attempts.

EXCEPTIONAL ENGINEERING

The Luxe 8700x is extremely durable and will withstand the test of time. Every feature—form, components, materials, architecture, security, and software—is meticulously engineered to optimize payment acceptance.

- Chemically strengthened glass lens protects the display from scratches and dents.
- Beautifully-veined Aramid fiber faceplate is ultra-strong to reduce surface damages from the hard knocks at a checkout.
- Highly durable, in-mold decorated plastic keytops can't be snapped off and won't fade over time.
- Stringent security features, including PCI PTS 6.x certification and PCI P2PE v3.1 validation, protect card data and simplify PCI compliance.

EXPERIENCED PEOPLE

The Luxe 8700x is backed by our knowledgeable payment professionals who are dedicated to forging long-term, mutually successful relationships with partners and customers. We have built a culture of taking ownership and going above and beyond at every opportunity.
