EQUINOX MULTILANE RETAIL SOLUTIONS

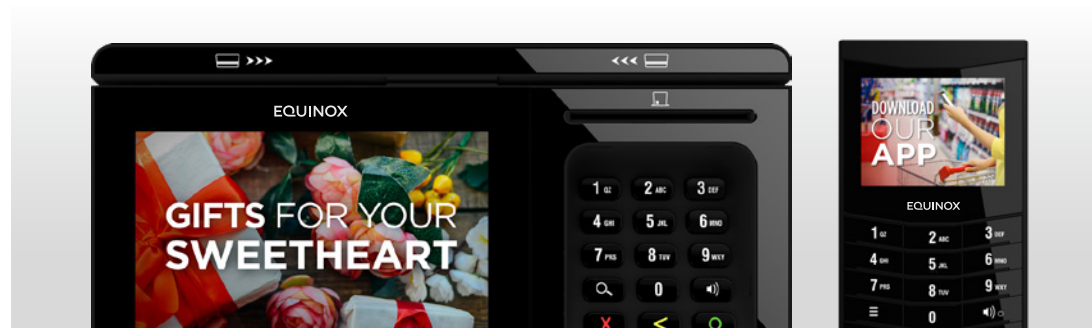

LUXE™ 6200m

The 6200m modular solution combines a smartphone-sized base device with an attachable power/printer module and a choice of communications, including Bluetooth® Low Energy, WLAN, 4G LTE, cabled, and combinations of each. The result is an array of fixed and mobile applications—PIN pad, stand-alone/integrated terminal, wireless solution—suited for every engagement environment. Software applications can be leveraged across the Luxe 8500i and 6200m.

LUXE™ 8500i

The Luxe 8500i integrated solution combines sleek, elegant design features with a smart and secure architecture that elevates the customer experience by turning the payment process into an engaging point of interaction that supports authentication, advertising and promotions, surveys, self-service applications, and more. Top-mounted card readers support magnetic-stripe, EMV and NFC contactless technology. It features a 5" high-definition touch display that supports pen and finger-based signature capture.
